Jude 1:3: “Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith”

Are you familiar with the Amish culture? Have you been watching your Amish friends leave their communities and after a handful of years you find yourself saddened by their lives? Is this a ministry that you would like to learn more about and possibly help? If so, our team would be glad to hear from you.

We hope the content produced by Hope for Wondering Amish will be helpful with your love-faith relationship with Jesus. We appreciate your prayers and input.
